82-S Interior Detailer

Interior Detailer is a quick and easy to use product to enhance and recondition the appearance of dash boards, vents, moldings and consoles not made of rubber or vinyl. Quick drying matte finish with a fresh scent. Greaseless and streakless. VOC Compliant.

DIRECTIONS:

For best results, clean and dry the surface to be treated. Shake product well before using. Hold can 10 to 12 inches from the surface to be sprayed. Apply a light, even coat and allow to dry. Avoid over-spraying as the surface may become slippery. A clean, dry cloth may be used to wipe the product into the surface.
