

## SAFETY REQUIREMENTS

Wear appropriate hearing and eye protection. Use in well ventalated area. Do not exceed 120 psi. Do not use with acidic, flammable or combustible products; "USE ONLY WITH TORNADO MAGIC™ PRODUCTS." Do not point cleaning tool at face or body. KEEP OUT OF REACH OF CHILDREN.

## AIR SUPPLY

The Tornado Magic™ cleaning tool requires a minimum air pressure of 70 to 90 psi, constant, for optimum performance. DO NOT EXCEED 120 psi.

**NOTE:** Constant air supply may vary depending on compressor size and capabilities. Always make sure tank and air lines are free from oil and water contamination.

## INSTRUCTIONS FOR USE

Always follow manufacturer's recommendations.

### Cleaning carpet or fabric

1. Remove large debris and vacuum area to be cleaned.
2. Turn valve to upright position to deliver cleaning solution.
3. Hold cleaning nozzle 1to 3 inches from area to be cleaned. Fully depress trigger; begin with overlapping motion over area to be cleaned.
4. Next turn valve to horizontal position using just air and dry area.

### Cleaning dashboard and hard surfaces.

1. Recommended air pressure at 75 psi.
2. Turn valve to upright position to deliver cleaning solution, fully depress trigger, clean area using a overlapping motion.
3. Allow cleaning liquid to remain on surface for 10-15 seconds.
4. Follow with air only, by turning valve to the horizontal position, begin drying with overlapping motion followed with a soft towel.

## CARE AND MAINTINANCE

- Avoid dropping the gun to floor, disconnect when not being used.
- Turn liquid valve to the horizontal position after use to avoid dripping from tip.
- Tighten the jar while holding the lid to avoid loosening or stripping gun assembly.
- Keep the cone of the gun clean by removing the cone and rinsing frequently.

**\*\*\*NOTE\*\*\*** After "EVERY USE"

Place nozzle 2-3 inches into a bucket of soapy water depress trigger once or twice to remove dirt build in cone, to avoid premature wear.

### Trouble Shooting

Problem	Solution
Tip will not oscillate -----	Check for low air pressure
Tip moves slowly -----	Check for dirt build-up and clean
Tip drips fluid -----	Keep liquid valve in horizontal position when not in use.
Will not dispense liquid-----	Check pickup tube for debris, rinse out.

## LIMITED WARRANTY

"90 day limited manufacturer's warranty against manufacturing & part defects."

Warranty will be voided, if it is used for anything other than the intended use of the Tornado Magic™ cleaning tool.

Use of any products, other than Tornado Magic™ products, with or in the Tornado Magic™ cleaning tool, voids warranty.
